### *Special Issue on Charter Schools*

#### *Guest Editors: Eugenia Toma and Ron Zimmer*

- |  |   |
|--|---|
| <b>Eugenia Toma and Ron Zimmer</b>   | Two decades of charter schools: Expectations, reality, and the future   |
| <b>Ron Zimmer, Brian Gill, Kevin Booker, Stéphane Lavertu and John Witte</b> | Examining charter student achievement effects across seven states   |
| <b>Devora H. Davis and Margaret E. Raymond</b>                               | Choices for studying choice: Assessing charter school effectiveness using two quasi-experimental methods                          |
| <b>Christina Clark Tuttle, Philip Gleason and Melissa Clark</b>              | Using lotteries to evaluate schools of choice: Evidence from a national study of charter schools                                  |
| <b>Deven Carlson, Lesley Lavery and John F. Witte</b>                        | Charter school authorizers and student achievement  |
| <b>David A. Stuit and Thomas M. Smith</b>                                    | Explaining the gap in charter and traditional public school teacher turnover rates  |
| <b>Celeste K. Carruthers</b>   | New schools, new students, new teachers: Evaluating the effectiveness of charter schools  |
| <b>Marcus A. Winters</b>   | Measuring the effect of charter schools on public school student achievement in an urban environment: Evidence from New York City |
| <b>Timothy J. Gronberg, Dennis W. Jansen and Lori L. Taylor</b>              | The relative efficiency of charter schools: A cost frontier approach  |
| <b>Courtney Preston, Ellen Goldring, Mark Berends and Marisa Cannata</b>     | School innovation in district context: Comparing traditional public schools and charter schools                                   |
| <b>Henry M. Levin</b>  | Some economic guidelines for design of a charter school district  |
