

Spanish for education

Be part of the growing number of pupils interested in the Spanish language at primary and secondary school levels in the UK.

Join the increasing number of pupils opting to take Spanish at GCSE and A-Level / Nationals, Highers and Advanced Highers in Scotland.

The Spanish Embassy Education Office supports schools, teachers and students with activities and programmes at all levels throughout the UK.

Spanish for business

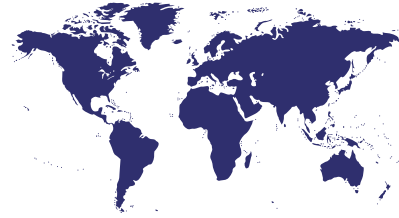

Spanish is the most useful language for English speakers, as it opens up opportunities for trade, investment and cooperation within Spanish speaking countries. The purchasing power of the Spanish-speaking community reaches 9% of world gross domestic product.

As a foreign language, it is an asset which increases job opportunities across a range of fields.

Global Spanish

Spanish is spoken as an official language in 21 countries. In fact, 7.6% of the world population speaks Spanish and it is the 2nd most spoken language by number of native speakers.

There are more than 519 million native speakers of Spanish worldwide. In addition, there are almost 92 million users with limited proficiency in Spanish and more than 24 million Spanish language learners.

Spanish ranks as the top language choice for global citizenship.

Spanish for travelling

Spain is a popular tourist destination: over 18 million British people visit Spain every year.

Don't hesitate to visit a Spanish-speaking country! Our warm and friendly culture ensures you will always feel welcome!

Spanish for communication

Spanish is increasingly recognized for its potential in communication and content exchange within collaborative circles. Currently, 6% of internet users communicate in Spanish, making it the second most used language online after English.

Spanish ranks second in terms of registered users on Facebook, Instagram, Netflix, YouTube and X.

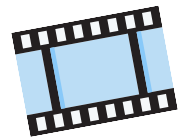

Spanish for culture

Get to know more about Hispanic writers and artists by speaking their mother tongue.

Spanish is the 2nd most commonly used language in scientific publications and a top language in the field of translation.

Enjoy the many cultural and natural UNESCO World Heritage Sites in Spanish speaking countries.

Spain is one of the biggest book exporters and film producers in the world!
